***We will answer your questions by EMAIL ONLY***

## PRESENTATION TIMES / CONFLICTS

National rules do not allow for posting the schedule prior to the event. However, we will post the district schedule on our website for your convenience. *Schedules are not guaranteed to be posted before April 22, 2019.*

*Once the schedule has been posted, it will not be changed other than for missed entries. If you see that an entry that was registered and paid for has been left off of the schedule, please email the PFYouth office at [youth@penflorida.org](mailto:youth@penflorida.org).*

Presentation times are randomly assigned by a computer program.

If you have a special request due to state testing or school related issues we ask that you present your requests **when you register**. Requests will be considered but are not guaranteed to be approved. No entry will be scheduled outside of the category presentation block.

Example: Student has school band commitment at 10:30am on Friday and cannot make the scheduled 10:04am Drama Solo. They cannot be scheduled outside of the drama solo block. If they cannot make the scheduled time, we will consider this a cancelled entry.

Conflicts may arise once the schedule is posted. Having two students presenting at the same time from the same youth ministry or family is *not* a conflict for the Festival. Missing seeing your friend in a human video is *not* a conflict nor is your preference of the time of day you're scheduled to present your entry. We can only reschedule conflicts that pertain to categories overlapping less than 8 minutes. As you look at the approximate times of your entries and see that you may have to be in two places at one time, check with the Conflict Resolution desk for a card to be given to the emcee in the room of the presentation. You will be given a time at the end of that division for your entry or you will fill in a vacant time slot. No changes will be made for an entry outside of that category's time frame.

## RESPONSIBILITIES

***We expect each registrant to participate at their scheduled time, to thoroughly familiarize themselves with the 2019 Fine Arts Guidelines & to be responsible for what the guidelines say.***

Upon arrival at the festival, **one** responsible person from each church will check in all participants. He/she will be asked to check for correct spelling, note any emergency substitutions, and alert the registrar of any participants withdrawing from the festival.

## GENERAL INFORMATION

The General Information section applies to all Fine Arts Festival participants.

### PURPOSE

Fine Arts is a discipleship tool of the **Assemblies of God Youth Ministries (AGYM)** designed to help students discover, develop and deploy their ministry gifts.

Although competitive elements are present, providing a competition venue is not the primary mission of the Fine Arts Festival. Through Fine Arts Festival, students are given the opportunity to have their skills evaluated by qualified ministers, industry professionals, and educators who encourage excellence, offer ideas for improvement, and inspire students to use their gifts in the local church, community, and around the world in ministry or secular vocation. Scores are not as important as lessons learned, experience gained, and skills developed.

### RULES AGREEMENT

All District and National Fine Arts Festival (NFAF) participants must read and abide by this 2019 Fine Arts Festival Rulebook. It is the responsibility of each participant to be familiar with the rules and procedures of this festival. **No other person may be held responsible for a participant's lack of information.**

By signing the District and/or Orlando19 registration form and attending or participating in a festival, pastors, leaders, parents and students acknowledge that:

1. They have read, understand and agree to abide by the rules of this Festival.
2. They will accept the decisions of the coordinators and evaluators as final.

### KAPPA TAU: COLLEGE FINE ARTS

Kappa Tau rules and information can be found at [www.kappatau.ag.org](http://www.kappatau.ag.org). Kappa Tau is **not** offered on the district level in Pen Florida.

### DISTRICT FINE ARTS FESTIVALS

Most AG districts holds a Fine Arts Festival.

Students must register with their home church. Students may not participate with multiple churches or with churches or districts other than their own. If the student is in good standing with more than one AG church or youth ministry, he/she must select only one home church with which to participate.

Most district Festivals follow the same rules and policies as the NFAF. However, some differences in rules and procedures may include, but are not limited to, the establishment of alternate age or grade requirements and variant scoring procedures.

The following ratings are given to presentations at the district level of evaluation:

Up to 25 points	Fair
26-30 points	Good
31-35 points	Excellent
36-40 points	Superior with Invitation
-2 points	Time Violation
-2 points	Rule Violation

A "Superior with Invitation" or an "Advance" rating from a district festival qualifies a student to participate in the NFAF. If no presentation within a category receives a "Superior with Invitation" or "Advance" at a district festival, then no one in that category will advance to the next level of evaluation.

Participants advancing to the next level of evaluation may improve their work even to the point of completely changing

the entire selection (i.e., song, script, sermon, artwork, etc.).

District Festivals are not required to offer NFAF Exhibition categories. Districts may also create their own Exhibition categories with the understanding that categories not offered at the NFAF are not eligible to advance.

District-level Exhibition Division presentations will be given an "Advance" or a "Not Advance" recommendation from each evaluator. All Exhibition Division entries receiving an "Advance" from at least two of the three evaluators are eligible to advance to the NFAF.

If mistakes are made in computing point values or if other situations arise that require attention at a district festival, contact your district coordinators.

It is the participant's responsibility to contact their district offices for specifics regarding their district festival. NFAF is not responsible for rules, policies or category variations specific to the district festivals.

## **PARTICIPANT REQUIREMENTS**

Fine Arts Festival is open to all Christian students who meet the following criteria:

1. Participating students must be enrolled in grades 6-12 or be 12 to 17 years of age as of September 1, 2018.
2. Participating students must be in good standing with a local AG church or **an officially recognized Cooperative Fellowship church and/or youth ministry.**

Note: 19-year-old students may not participate in Fine Arts unless they are enrolled in grades 6-12 as of September 1, 2018. Students who qualify for the national festival by grade and district advancement may participate at the NFAF even if they turn 19 before/during August 2019.

NFAF students must register with their home church. Students may not participate with multiple churches or with churches or districts other than their own. If the student is in good standing with more than one AG church or youth ministry, he/she must select only one home church with which to participate.

## **NATIONAL FINE ARTS FESTIVAL, AIM OUTREACH-REACH ORLANDO, NATIONAL YOUTH CONVENTION REGISTRATION**

Each student who qualifies by receiving a "Superior with Invitation" or "Advance" rating at their district Festival and wishes to participate in the NFAF must submit an Orlando19 registration form or register online and pay the accompanying fee.

### **NATIONAL REGISTRATION FORM**

The Orlando19 registration form is available at [orlando19.ag.org](http://orlando19.ag.org) as of February 1, 2019.

Online NFAF registration opens for qualified students at [orlando19.ag.org](http://orlando19.ag.org) on February 1, 2019. Online registration closes at 11:59pm (CST) on June 7, 2019. ### **NATIONAL ON-SITE CHECK-IN**

All registrants must be present or represented by an adult to complete the mandatory On-Site Check-In from 9am until 6pm Tuesday, July 30 in Orlando, Florida.

## **EVALUATION PROCESS AND RATINGS**

Three qualified evaluators, chosen for their education, expertise and impartiality, evaluate each presentation by using the following general criteria:

- Selection
- Communication
- Presentation and Technique
- Overall Effectiveness

At the DFAF and NFAF, an average of the scores from three evaluators determines the rating of each entry.

The DFAF may have callbacks in categories with a large number of entries. Callbacks are issued to a top percentage or number of the entries receiving a "Superior with Invitation" rating. Callbacks serve to assist the evaluators in choosing the top three participants in a category. The categories conducting callbacks at the DFAF will be listed in the official program.

Presentations must receive a "Superior w/Invitation" rating to be considered for a Callback or any other award. However, receiving a "Superior w/Invitation" does not automatically qualify a student for a Callback or other award. Evaluation sheets are not distributed for callback presentations.

The rating that FAF participants receive during their initial presentation(s) is the rating reflected on the evaluation sheets distributed and is the rating that serves as the permanent record for scholarship verification.

## **CODE OF CONDUCT**

NFAF/DFAF maintains a high standard for its participants and attendees. Parents, leaders, students, and guests involved in this Festival should be committed to the ministry and should represent Christ in their behavior.

Parents, leaders, students, and guests are expected to demonstrate integrity, respect, and support for all other churches, teams, evaluators, participants and volunteers. An overly competitive attitude, rudeness or unsportsmanlike conduct is not acceptable and is considered grounds for dismissal.

FAF provides volunteers who operate as auxiliary staff for the festival. These volunteers give their time and resources and work long hours throughout the weekend to serve students and the festival. Any rude behavior including verbal/physical abuse directed toward volunteer staff will not be tolerated and may result in disqualification and dismissal of parents, leaders, students, and guests.

It is the responsibility of all FAF Participants and attendees to leave a positive impression at the facilities and on the people with whom we work. Therefore, any participant or attendee showing disrespect for people or property in the host city may be disqualified and dismissed from the NFAF/DFAF.

## **DRESS CODE**

Appropriate dress is required for all entries—keeping category norms, intended audience and ministry effectiveness in mind.

## **EQUIPMENT PROVIDED**

For a list of equipment that will be provided at both the national and district Festivals, visit the national Fine Arts Web site, [faf.ag.org](http://faf.ag.org).

Wherever possible the NFAF/DFAF provides all listed equipment and listed stage sizes. However, where space or other limitations require, the NFAF/DFAF reserves the right to remove or limit the availability of provided equipment and adjust stage sizes.

For presentations requiring audio, the FAF only provides 3.5mm (1/8") audio plugs. Participants are responsible to bring a suitable device with 3.5mm (1/8") audio jack in order to play their tracks. USB files and CDs are not accommodated.

## **ROOM CONFIGURATION**

Every effort is made to provide adequate space for all presentations. However, be prepared to adjust your presentation according to room and stage sizes.

## **SCHOLARSHIP INFORMATION**

Many AG universities, colleges and Masters Commission programs offer scholarships to qualified district and NFAF participants. Each institution determines and administers their own application process and award amounts. Visit [colleges.ag.org](http://colleges.ag.org) or contact the AG university or college of your choice for more information.

# **GENERAL RULES**

The General Rules section applies to all Fine Arts Festival participants.

Read the category rules and evaluation criteria for each category in addition to the General Rules.

- Category Rules govern the objective elements presentations must follow and are subject to rule violations if not followed.
- Evaluation Criteria govern the subjective elements of a presentation and help define what the evaluators are looking for.

## **RULE AND TIME VIOLATIONS**

Rule and time violations in any category will receive a 2-point deduction per violation, per evaluator.

## **CONTENT**

Whether through preaching, ASL, acting, dancing, singing, playing an instrument, sculpting, painting, or any other medium, the goal of the NFAF/DFAF remains the same: spreading the gospel. Some categories naturally lend them-

selves to telling the message of the gospel while others are a celebration of ministry gifts within our students in whom that message resides. The following terms are meant to serve as a guide as you prepare your Fine Arts presentations.

**Christian Message:** is defined as, “anything that reflects the message of Jesus.” We believe the *Christian Message* is found in the person rather than the presentation. **We believe “you can identify people by their actions” (Matthew 7:20 NLT). We want Christian students to glorify God with their ministry gifts in their presentations.**

**Evident Ministry:** is defined as, “a presentation that communicates a biblical truth.” Biblical truths are communicated in various ways through different mediums. Biblical truths can also be communicated through illustrations by assigning redemptive value. Please consult the category rules for clarity on which categories require *Evident Ministry*.

**Redemptive Value:** is defined as, “using an illustration or prop to present a biblical truth which may be outside its original intended purpose.”

**Overall Effectiveness:** is defined as, “a quality presentation that is deemed appropriate for this festival.”

AG Youth Ministries is providing an opportunity to receive feedback throughout the 2018-2019 season to determine what content is deemed appropriate for the national festival. We understand what is deemed appropriate can be interpreted differently based on cultural, geographical, and personal context. If you have a strong opinion regarding what is appropriate for the national festival, please share your thoughts by submitting this survey: <http://youth.ag.org/FAFSurvey>. Your opinion matters to us, and we want to provide an opportunity for you to share what is appropriate in your context.

To honor the diverse thought across our Fellowship, presentations including secular music will not be allowed to present on the National Fine Arts Festival/National Youth Convention evening stage as a preservice presentation or during the Celebration Service. Pen Florida District Youth Ministries will follow the same standard and will not allow secular music to present on the District stage as a preservice presentation or during the Celebration Service.

The following content is **never** allowed in any Fine Arts presentation and will result in disqualification:

1. Explicit songs, lyrics, text, scripts, or images
2. **Nudity**
3. Cursing
4. Racial slurs and intentional/blatant racial insensitivity. Remember, you are ministering to a culturally and geographically diverse audience in Fine Arts.

## TIME LIMITS

All scheduled events have time limitations (see specific category rules to find out time limits). Each presentation room has an official timekeeper. If a presentation exceeds the time limit, a 2-point deduction from each evaluator is assessed.

Time for setup begins when the name of the entry/participant is called as being “up” and the announcement made that “your setup time begins now.”

Time for the presentation begins when a participant does or says anything to indicate the beginning of the presentation, including introductory remarks.

## APPROVED LANGUAGES

Bilingual entries are not permitted, except in Human Video Ensemble, Spanish.

Entries designated as American Sign Language categories must be presented entirely in American Sign Language. Entries designated as Spanish must be presented entirely in Spanish. Entries not otherwise designated, with the exception of Vocal Solo, Classical, Sr. must be presented entirely in English.

Background vocals must be in the same language as the presentation.

## GROUP ENTRY PARTICIPANT GUIDELINES

A group/ensemble entry is defined as a presentation given by two to ten students. If a category is specified as a small group/ensemble, it consists of two to four eligible students (e.g. Drama Ensemble, Small). If a category is specified as a large group/ensemble, it consists of five to ten eligible students (e.g. Human Video Ensemble, Large).

Choir is the only group entry that is allowed more than ten participants; up to 75 members are allowed.

## SUBSTITUTIONS

Substitutions may be made between the district festival and the national festival as follows:

- Small Groups (two to four participants) are allowed one substitution
- Large Groups (five to ten participants) are allowed two substitutions
- Choir is allowed three substitutions
- The original group is understood to be the group members that participated at the district Festival. If a student

registered for but did not participate in a group at the district Festival, he/she is not counted in the original group.

## ENTRY LIMIT GUIDELINES

A participant or group of participants may not enter the same category of a division twice. There is no limit to the number of different categories in each division for which a participant may register. There is no limit to the number of qualified entries from one church.

## LICENSE

All DFAF/NFAF attendees and/or participants, by their signature on the district and/or national registration form, grant permission to the General Council of the Assemblies of God and to Assemblies of God Youth Ministries, and Pen Florida District Youth to use the registrant's image(s) and to photograph, reproduce, edit, publish and/or record any musical, dramatic, artistic, photographic and/or written presentation at the DFAF/NFAF without compensation to the registrant, author or creator of the work for the purpose of promoting the DFAF/NFAF and or Assemblies of God Youth Ministries. The following rule applies to any presentation, in any category, in any division that utilizes music.

Before beginning the presentation, participants must introduce their music selection(s) by stating the title(s), name of the artist/composer, and arranger (if known). If the piece was composed or arranged by the student, that should be stated. Introductory comments DO NOT count toward the setup or presentation time limits. Comments must be minimal. Do not make other comments like a testimonial or justification for choosing the song(s); 15 to 20 seconds is sufficient. Use this format: "Hello, my name is (or our group name is) \_\_\_\_\_ and I/we have chosen to use "Song Title" by song writer(s) (and "Song Title" #2 by song writer(s), and "Song Title" #3 by song writer [if applicable]) for our presentation."

## COPYRIGHTED MATERIAL

It is the responsibility of the students, parents and youth leaders to be completely legal and ethical in their conduct regarding copyrighted music, scripts or any other original published or unpublished works. All DFAF/NFAF participants should follow these guidelines:

- Never use digital or printed copies of music or scripts to avoid purchasing original materials.

Always give appropriate credit to the author or creator for all copyrighted materials used to create your Fine Arts Festival entries.

# **ENTERPRISE DIVISION**

*Please note: All participants are required to read the General Information and General Rules.*

## **CATEGORIES**

*Registrants in the Enterprise Division may submit entries in the following category:*

- Business Plan

## **INFORMATION**

Supplemental materials including financial plan templates, a glossary of terms related to Business Plans, and links to business plan resources are available at <http://youth.ag.org>.

## **BUSINESS PLAN**

Prepare a written business plan that explains your idea for developing a new business or for significantly improving an existing business. This includes businesses that:

1. Sell a service or product for a profit that primarily benefits the owner(s) (for-profit)
2. Provide donor supported services at no cost or limited cost to others (non-profit)
3. Sell a service or product for a profit from which a designated portion of sales or profit is used to provide product or services to meet the needs of others who cannot afford them (social enterprise)

The business plan should reflect a Christian worldview in the mission, purpose, marketing, and operation of the business but does not have to present Evident Ministry (as defined by Evident Ministry in this rule book). A Christian worldview is the set of Christian beliefs we each have that influence our understanding of God's purpose and calling for our life and how we choose to serve God and others, set priorities, evaluate circumstances, and make decisions. Preference will not be given to plans demonstrating ministry beyond adherence to the Christian worldview.

### **INFORMATION**

- Business Plan is open to students enrolled in grades 9-12 during the 2018-2019 school year.
- Business Plan entries consist of two parts: a written business plan and an oral presentation
- Each business plan should include a cover page (one page), core content (up to four pages), and financial plan (one page).
- A printed business plan is to be provided to each evaluator at each level of participation.
- Each solo/duo presenter will be provided with a podium, projector, screen, computer/laptop, and up to two microphones. See the Business Plan Rules section for more information on the oral presentation.

### **BUSINESS PLAN CONTENT**

Prepare the business plan to address the questions described in the following sections:

#### *Category Questions:*

1. Is this a for-profit, non-profit, or social enterprise venture?
2. Are you introducing a product or service that is a new creation or a significant improvement to something existing?
3. Have you already initiated the new creation or significant improvement? If so, when did you start and briefly describe the current stage of development.

#### *Customer Profile:*

1. Provide a profile of the customers whom you will serve by your new or significantly improved product or service. The profile should describe what this group of customers is wanting to achieve (tasks, well-being, status), the obstacles such as inadequate resources or risks of undesirable outcomes that impede them, and any relevant information that is common with this group such as age, resources, location, and/or status. If your product or service meets the needs of several customer groups, then provide a profile for each.
2. What are the specific, unsatisfied wants and needs of these customer groups that are not being met by the products and services currently available to them (consider price, reliability, access, ability to use, etc.)?

### **VALUE PROPOSITION**

1. What is the product or service you are proposing? Give a brief description. If creating a business plan for a pre-existing business, the plan must describe what significant changes and improvements are being made or proposed.
2. How does your new or improved product or service meet the specific, unsatisfied needs and wants of your customers (features, accessibility, customer service, etc.)?
3. If a for-profit or social enterprise business, how will you price your product or service and how does this pricing compare to competitors and to the expectations of your customers? If a nonprofit business, how will your product or service attract sustainable donor support?
4. What other competing or alternative products or services, if any, currently exist to meet the needs and wants of your proposed customers?
5. Why is your proposed product or service a better fit for the potential customers than those currently existing so that you will capture a sufficient share of the market to make the business successful?
6. How does your Christian worldview influence your interest in developing this business and your desire to create value for the customers you will serve? A Christian worldview is the set of Christian beliefs we have that influence our understanding of God's purpose and calling for our life and how we choose to serve God and others, set priorities, make decisions, and evaluate circumstances.

### **STRUCTURE**

1. What is the mission of your business?
2. How will you obtain the financial resources you need to start this business?
3. Who are the key partners (suppliers, agents, etc.) and how do they provide external resources and activities that are essential to developing and providing the product or service?
4. How will you communicate your value proposition to your customers (promotion plan)? For nonprofit businesses, the communication of your value proposition shifts from those being served (customers) to the public and potential donors who will support the service.
5. How will you deliver your product or service to your customers?

6. What are the key business activities that your business must perform extremely well to successfully create a recognizable brand loyalty for your product or service?

## **SUSTAINABILITY**

1. How much start-up funding will be needed to become fully operational, including the purchase of the assets needed and to cover the operating losses that will be incurred until you reach a point where resources match expenses? (See the Start-up Costs section of the financial plan template.) In your response, identify key assumptions used to make this projection including the kind of assets that must be acquired and the number of months and average monthly losses until fully operational.
2. Summarize the projected revenues, expenses, and net surplus (profit) and other key financial statistics that help explain the results you expect the business to achieve when it is fully operational. Include on the last page of the business plan a financial statement that supports these results. Go to website resources to download the Financial Plan Guide and Templates. This guide includes financial plan templates for a for-profit (including social enterprise) and non-profit business with instructions on how to complete.
3. What are the potential risks that would negatively affect the success of this business, and the contingency plans you have developed to minimize the impact of those risks?
